Remarks

Upon entering this beautiful lake front home, you will find the family room with panoramic windows offering spectacular views of Duck Lake. The kitchen offers granite counters, double oven, gas range and range hood. The breakfast area offers a gas fireplace and transitions to access the outdoor space & deck. The first-floor primary suite offers a private balcony. Walk in closet and additional closet directly across. The updated bath features stone tile, a walk-in shower, jetted tub, and his and her vanities. Completing the main level is a formal dining room, library/den, laundry room and half bathroom with direct access to 3 car garage. On the second level you will find three additional bedrooms. Two bedrooms share a jack and jill bathroom and forth bedroom has an ensuite bathroom. The walkout finished basement offers a full wet bar including a wine cooler, beer cooler, and icemaker. The living room area contains a gas fireplace and the wall of windows to bring the outdoors to you. Step outside to enjoy lake life at it finest. All measurements are approximate.
